

SUPER BLANC

Super Blanc is a zesty brew with a delightful citrus twist. Pouring a hazy pale yellow with a frothy white head. The aroma is a delightful blend of spicy coriander, tangy lemon, and a hint of sweet orange. On the palate, the flavors bursts of tangy citrus, and lemon which adds a sharp acidic note that cuts through the creamy wheat base. It finishes clean and refreshing, with a subtle hint of coriander and a bright citrus aftertaste.
