

## KONRAD'S STOUT

We have been producing this stout since 2010. We wanted to make a straight forward imperial stout with a Scandinavian touch to it. Therefore, we used a lot of dark malts and just the right water chemistry to give the beer a very soft mouthfeel with coffee and liquorice notes.

<b>Ingredients</b>	<b>MALT: PALE, ROASTED BARELY, CRYSTAL, OATS</b> HOPS: AROURA, SIMCOE YEAST: ALE
