

EVERYDAY WEEKEND

Big, juicy, hazy, and bursting with tropical fruit character, this DIPA is hopped intensely with Nelson Sauvin, Mosaic, Simcoe, and Nectarone. Notes of ripe mango, peach, and citrus lead the way, balanced by hints of white grape, pine, and a dank, resinous backbone. At 9.0% ABV, it still delivers a soft, pillowy mouthfeel, and the minimal bitterness makes for a smooth, dangerously drinkable experience.

(When we get to brew beers like this, we don't consider weekdays any different from weekends - we love our job that much!)
