

BARREL-AGED MOLTEN DOUBLE CHOCOLATE FUDGE CAKE SUPREME

Barrel-aged Molten Double Chocolate Fudge Cake Supreme

We put double the amount of cocoa nibs per litre than we've ever used on any of our beers before, added a touch of fudge and stuffed it into a big, fat imperial stout that we've been aging in bourbon barrels for over a year. If you melted down the world's most chocolate-y cake and made a beer of it, it would probably taste something like this... but with a very sensible 12.1% ABV.

Ingredients

WATER, **BARLEY**, coffee, HOPS, VANILLA, YEAST, Natural graham cracker and butter pecan aroma.

ABV

12.1%

Packaging

33 CL CANS / 20 L KEY KEG

Best before

60 months
