

BIG MOUTH

Our newest session IPA might be small in ABV, but it's massive in body and flavour. The hyper-tropical blend of HBC431, Azacca and Idaho 7 hops releases an explosion of canned pineapple and mango with a touch of lychee on the palate. The gentle finish of sherbet, mango and the faintest bitterness gives way to a malty fullness from flaked oats. The lingering sweetness from the lactose ensures that this beer coats every nook of your mouth. After drinking one of these, you'll feel like Nick Birch!
