

COCONUTS

Coconut Stout, brewed with vanilla, maple and coconut to create a bounty bar explosion in a beer. This is a humongous chocolatey stout with tons of character from massive amounts of chocolate and toasted malts to back up the generous amount of toasted coconut and nished off with a bit of vanilla and maple syrup. Of course its more of a dessert than a beer, why not? craft beer is dead. We killed it with vanilla!

Ingredients

MALT: PILSNER, OATS, CHOCOLATE, CAMEL MALTS
