

## DOUBLE CHOCOLATE PEANUT BUTTER SMORES STOUT

The trend continues at Lervig, we are proud of our stouts and we have used our skills to make such a luxurious yummy peanut butter Smore's pastry stout that is actually well balanced and not overly sweet or too much of anything, however it has a lot of everything... its been heavily dosed with cocoa nibs to give the beer a rich dark chocolate flavor, then we added the peanuts vanilla and marshmallows to create one of the most satisfying stouts we have made at Lervig. Its tasting a lot like a Reese's pieces peanut butter cup.
