

GALAXY FLICKER

Galaxy Citra Flicker combines the two hops: Citra and Galaxy. We kept the malt

flavour-bursting rockstars of mod-ern-era hops: Citra and Galaxy. We kept the malt simple and juicy with a careful mix of Pilsner and Pale malts with some oats and wheat for body to let the fruity hops shine. At 5.5% ABV it's balanced, smooth and crispy and very sessionable. The overall result is a no-bullshit taste explosion.
