

HOLIDAY HAZE

A welcome break from all the malty, dark and spiced Christmas beers, Holiday Haze is hazy, potently aromatic, deliciously juicy, and overflowing with hops. Notes of tangerine, peach and passionfruit are present in both the aroma and flavor, along with more subtle accents of tropical fruit and pine. Flaked oats and flaked barley create a smooth and unobtrusive malt platform to support the Galaxy and Mosaic hops, resulting in a soft and deliciously hoppy beer.
