

HOP DETOUR

This Kveik Rye IPA results from some New Zealand hops getting stuck in customs on their way to the polish brewery Pinta. Luckily, we, being located outside the EU, could collect them instead. We liked the NZ hops so much that we wanted to make collab together with Pinta to honor the Hop Detour. The beer really has everything you want from a juicy kveik IPA; tremendous amounts of Nelson Sauvín, Mosaic, Cryo loral, Rye and to top it all off, it's brewed with Norwegian Kveik Yeast from Voss.

Hops: Nelson sauvín, Mosaic, Cryo loral.
