

## FJORDLY JULEBOOZE

Julebooze is a nostalgic drink for the holidays. Sweetness and raspberry that brings you back to the time your only holiday worry was “how long do I have to wait to open up these wrapped boxes under the tree?” and “which uncle is going out for a smoke when Santa arrives this year?” Julebooze pairs well with opening presents, reading 1984 Christmas comics, and stuffing your cakehole with diabetic cookies.

Merry Christmas from the brewers at LERVIG!
