

PILLOW TALK

A lush, dreamy NEIPA featuring the experimental hop HBC586 renowned for its mango, guava, and citrus notes. The tropical fruit-forward flavours are complemented by the classic IPA hard-hitters Citra and Mosaic for a multi-dimensional hop profile, and a pinch of Sabro for a subtle amount of coconut. A beautifully cloudy appearance pair with a creamy mouthfeel and perfect carbonation level that dazzles your eyes and dances effortlessly across your palate. Let the seductive allure of Pillow Talk whisper sweet nothings to create a hoppy drinking experience.
