

SUPER FLUFF

Super Fluff is a wheat-heavy beer made with Mosaic, Enigma, Cryo Loral and HBC431 hops. Pungent grapefruit notes greet your palate while an underlying current of soft tropical fruits, peaches and berries dances in the background. Just a touch of bitterness balances the sweet fruit flavors while a velvety soft mouthfeel makes you forget this one clocks in at 6.6% ABV. A round and beautiful beer that maintains softness and delicacy - it almost feels like basking in a cloud of fruity hops!

Ingredients

Water, **wheat**, **barley**, hops, yeast.
