

TASTY JUICE TROPICAL MILKSHAKE

Inspired by one of our most popular IPAs, this hazy Tropical Milkshake IPA is loaded with oat and wheat malt, and a touch of lactose to soften the mouthfeel with a pillowy creaminess. The two huge additions of Citra, Mosaic & Ekuanot hops directly into the fermentation tank contribute to the juicy fruit notes, while some extra tropical goodies like coconut, pineapple and mango are added just before packaging to kick up the tropicality. Finally, a touch of vanilla is dosed in to enhance the milkshake effect.

Ingredients

Water, **barley malt**, **Oats**, **wheat**, hops, **lactose**, vanilla sugar, natural flavor, yeast.
