

GIN

LERVIG's **Limited-Edition Barrel-Aged Gin**, a rare, crafted spirit born from our deep passion for premium gin, good bourbon, and the art of barrel aging. Each bottle of this rich gin represents a harmonious fusion of juniper, botanicals, and spices, all elegantly intertwined with the subtle yet profound influence of over 2 years spent aging in American oak barrels, previously home to well-known bourbon.

The result is a gin that transcends the ordinary, showcasing a complex, multi-layered flavor profile where the rich notes of vanilla, caramel, and oak inherited from the bourbon barrels gracefully complement the gin's botanicals. The aging process softens the sharpness of the gin, creating a smooth, velvety texture that glides effortlessly across the palate. The bourbon's legacy imparts a warm, sweet finish that lingers, leaving you with a taste experience that is both rich and unforgettable.

This gin's distinct golden hue, a testament to its time in charred oak, reflects the depth and character within. With a slightly elevated alcohol content, this spirit offers a robust, warming finish that appeals to both seasoned gin connoisseurs and bourbon enthusiasts alike.

Whether sipped neat or as the foundation of a sophisticated cocktail, this limited-edition barrel-aged gin is a celebration of craftsmanship and a true testament to our love for gin, bourbon, and the process of barrel aging.
