

MEDICINE

The Doctor has prescribed this beer to test our ISOmix system for extraction of every bit of hop oil from this 100% Citra hopped heavy hitter. Brewed with Golden promise, wheat and oats for the full bodied well rounded juicy haze. And we went off our meds when it came to the dosage of lupulin. With beer like this who needs pills!

Ingredients

MALT: PALE MALT, WHEAT MALT, OAT

MALT, FLAKED OATS

HOPS: GALAXY, CITRA
