

SOUR SUZY

A thirst quenching session beer, Sour Suzy mimics a classic German brewing technique (sour mashing) to impart a light, refreshing tartness. No hop bitterness & very low hop profile. Sour Suzy is not your typical session beer – rather it delivers something a bit more obscure and intriguing. It drinks as refreshingly as a glass of lemonade, perhaps more refreshing than water itself...

Serve in: Berliner Weisse glass or Tulip.

Ingredients

WATER, **BARLEY**, HOPS, YEAST.

MALTS: **PILSNER MALT, WHEAT.**

HOPS: STYRIAN GOLDING.
