Want something light and refreshing? Well we have the perfect drink for you. Spiked Seltzer, Grapefruit is a 4,7% refreshing way to enjoy a drink without filling yourself up with too much more than filtered water and grapefruit flavour. The soft carbonation makes Spiked Seltzer a refreshing and gluten free alternative to the existing market.

Low calories, low carbohydrates and containing almost no sugar this is an obvious choice for most.

Spiked or Hard Seltzers have taken the world by storm, the fastest growing segment in the light drinks category. We are happy to present these here in Norway made from the best water found.
