# GALAXY CITRA FLICKER

## DDH PALE ALE, ALC. 5,5% VOL.

Galaxy Citra Flicker combines the two flavour-bursting rockstars of modern-era hops: Citra and Galaxy. We kept the malt simple and juicy with a careful mix of Pilsner and Pale malts with some oats and wheat for body to let the fruity hops shine. At 5.5% ABV it's balanced, smooth and crispy and very sessionable. The overall result is a no-bullshit taste explosion.
