## IPA, ALC. 2,5% VOL.

Even though it's 2,5%, this session IPA is so hoppy you won't feel like you are drinking a light beer. Perfect for any social occasion, lunches or sitting in the sun. We use loads of Citra, Simcoe and Amarillo to balance out a good bitterness with massive citrus hop aroma and flavour. The body is light and easy so this beer won't fill you up or hold you down.
