

PATIO LANTERNS

**DOUBLE DRY-HOPPED PALE ALE, ALC. 5.4% VOL.
COLLABORATION WITH COLLECTIVE ARTS BREWING**

Brewed with our friends from Collective Arts in Canada, this pale ale designed to be what Canadians refer to as a patio smasher. We got some brand new Cryo Loral hops in, and melded them together with tropical Enigma, lychee Azacca and fruity HBC431 for a summer beer that will have you sitting on the patio all day until the lanterns turn on at night.
